About Ofield Brothers Renovation Group

Ofield Brothers Renovation Group is a family-run business that began with two brothers and a shared passion for quality craftsmanship and traditional restoration. Since those early days, we have grown into a skilled team of experienced professionals, all dedicated to making sure every job is completed to the highest standard.

Preserving Character & Charm

We take pride in restoring properties to their former glory while carefully preserving their original character and charm. By renovating and upgrading existing features such as timber and sash windows, we offer a cost-effective alternative to full replacement.
